Lspdfr eup menu not working today show

You can locate "prop_hats" in Ultimate Backup XML files, and Prop id= in the data folder XML files for the prop hats. You can refer to the following websites for more information about XML customization, and Ultimate Backup Reference XML within the optional Ultimate Backup XML folder. I've tried about 3 different install tutorials for EUP, my F11 key doesn't seem to open up EUP Menu, is it because its binded to something else? Home Forums Community Support GTA V Support EUP menu not loading The latest updated version of RAGE Plugin Hook, required to play LSPDFR, can be found inside the LSPDFR download. Edit. If you're going to reply, just DM me, reddit is acting up and I can't see your replies. Cheers Solved: I went into RagePluginHook and checked the box to not load any plugins on startup, I then clicked save and launch and let the loading screen run, when in game I went into the console and loaded LSPDFR manually, followed by EUP Menu manually, this allowed me to access the Menu but for some reason, all my uniforms are random, the officers are wearing parachutes and colourful clothes which is a bit frustrating, but I am currently looking for a fix. The command log says that patchday13ng and patchday14ng are missing. --> Do I Need The K9s? No. This modification also includes EUP backup including Police Officers, Military Police, Fire and EMS units for the default backup menu. Now I have EUP installed but when I try to open the menu ingame by pressing F11 nothing happens. --> Do I Need Perico? You can rename the vehicle files by locating "" in Ultimate Backup or "" in the LSPDFR data folder and agency XML. --> I Want To Change My Settings . How Do I Do This? NO! LSPDFR will crash if you try to load or install more than 1 custom map at a time. Please note Ultimate Backup includes Coroner, Towing Service, Spike Strips, Roadblocks, and canines alongside special units. You launched LSPDFR with force duty using the RAGE Console. When I turn on F11, this console won't boot to screen 2. Vests are not included within Ultimate Backup, but my modification has configurations enabling the vests made by martinct. You did not wait long enough before proceeding to the next menu. It's recommended to only enable North Yankton if you want to play there (and vice versa). Home Forums Community Support GTA V Support EUP MENU NOT LOADING Common Questions and Answers for San Andreas Ultimate Backup [EUP] Complete Edition 5.7 or later --> Is Ultimate Backup & Stop The Ped Required? ✓ Question Answered As the title says, my F11 key does not open up the EUP Menu, is it because it's a hot key and already binded to something? This is extremely frustrating as I've put so much time into setting up LSPDFR but it still hasn't worked, the only other things I have is Stop The Ped, as I'm fairly new to LSPDFR. It is not currently available on the RAGE Plugin Hook website. Your screen will be clear of notifications, and pop-ups indicating LSPDFR have fully loaded. --> Are add-on vehicles supported? Please help me out. Hello, after installing the EUP mod, according to the tutorial, it does not start in the game, after activating "loadplugin eupmenu" in the lspdfr console under F4 it displays such a message. I don't know what these are, but they are in my dclist.xml. So my question is, How do I get the EUP plugin working? I tried looking for a solution but couldn't find any. Idk if this is the right place to ask. Thank you for the help in advance Home Forums Community Support GTA V Support EUP Menu Not Working The latest updated version of RAGE Plugin Hook, required to play LSPDFR, can be found inside the LSPDFR download. --> How Can I Change The Vehicle Settings? You must disable 'Restricted Areas' in simple trainer to fix this issue. The choice is up to you, and the ambient spawn system works with and without Ultimate Backup installed. What is the problem, how do I fix it? --> My Menus Conflict After Loading LSPDFR During The Duty Selection Menu. No. K9s are built into Ultimate Backup already, and will default to SHEPHERD if no settings are present. You must wait until LSPDFR, and all plugins are loaded before proceeding into the duty selection menu. If you do not want to have the special units (see below) then you can safely play this modification without Ultimate Backup and Stop The Ped installed. Be sure to not have any other maps loaded or installed before attempting to do so. 1 Upvotes Home Grand Theft Auto GTA V EUP menu error (not working) Home Grand Theft Auto GTA V EUP menu error (not working) Hello, I followed a few videos on how to install the EUP plugin. No, EUP Menu is not required, but it's recommended for easier navigation for uniform selection. --> I Loaded LSPDFR, But EUP Badge Props Are Not Working Correctly? No. It is optional, but it functions to get all items available to you on the island.
